

SCHEDULED TRANSFERS SETUP

With Online Banking, you can set up scheduled transfers, so you can move money automatically whenever you want!

HOW TO SET UP A SCHEDULED TRANSFER:

1. Log in to Online Banking.
2. Under the **Transfers** tab, select **Scheduled Transfers**.
3. Select **Create New Scheduled Transfer**.

4. Select which account the funds will come from, which account the funds will go to, the amount of the transfer, the frequency, and when the transfer will process.
5. Select **Schedule Transfer**.
