

Debit & Credit Card Rewards

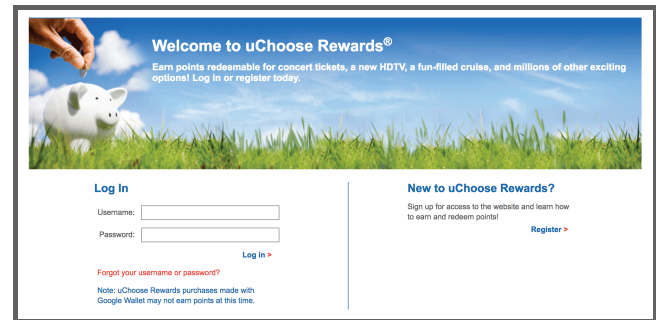

UChoose Rewards®

Use the Credit Union Visa® Debit or Credit Card for purchases and earn points that can be **redeemed for cash!** If you have a personal account and debit or credit card, you are already earning points!

Earn ONE point for every \$2 spent on signature transactions. Be sure to sign for debit transactions rather than entering a PIN, since only **signature-based transactions earn reward points.** If prompted for a PIN, but would rather sign for the purchase, simply ask the cashier to run the transaction as credit.

Get Started:

1. Go to tvacreditunion.com/checkingrewards
2. Click "Access UChoose Rewards"
3. Select "Register" to create account
4. Enter your card number
5. Enter all information and choose a username/password
6. Agree to the terms and conditions, then click "Submit"
7. Start collecting and redeeming points!

Redeem Points:

Points can be redeemed in multiples of 2,500. **Each multiple of 2,500 points is worth \$25.** If you have enough points to redeem at least one multiple of 2,500, you will see a congratulatory message after clicking "Redeem Points" on the left side of the screen.

To redeem your points for cash, click on "Redeem Points" on the left side of the screen, then click "Cash." Enter the amount of points you would like to redeem (do not use commas), then click "Redeem Points."

The more you use your card, the more you get rewarded! **Rewards are offered based on places and categories you have shopped using a Credit Union Visa® Debit Card.** Your debit card must be linked to a checking account to receive cash back offers, and your rewards will be directly deposited!
